

BELFAIR, WASHINGTON

WELCOME TO

OLYMPIC RIDGE

144 homes on the bluff, Olympic Mountains out front and Lynch Cove below. Just unpacked or here since the first phase — glad you're on this ridge.

WE LOOK OUT FOR EACH OTHER

A neighbor's report is why the access road has bollards.

WE DRIVE LIKE KIDS LIVE HERE

25 mph, slower near the bus stop.

WE KEEP A LANE OPEN

One side of every street stays clear for fire trucks.

WE SHARE THE VIEW

Nobody's shed should cost a neighbor their mountains.

WE CLEAN UP AFTER OURSELVES

Leash on, bag in hand, cans out of sight.

The county doesn't plow this hill. We do.

Olympic Ridge was approved as a self-sufficient community, so our roads, sidewalks and streetlights are ours to maintain — permanently. That is what dues cover, and why we keep a 30-year reserve study for what wears out.

144

homes on the ridge

\$1,000

a year, about \$83/month

\$31,000

budgeted to reserves

\$0

in board salaries

What we all chip in for

Snow plowing. Roads, sidewalks and streetlights. Groundskeeping, hill and pond included. A \$7,500 brush cleanup. Insurance and common-area repairs.

Straight talk: reserves are behind, so we moved \$40,000 into a certificate of deposit to earn interest instead of nothing. No dues increase is proposed — a raise is the last resort.

SIGN THE EMAIL CONSENT FORM

State law needs your written OK before we can email or text you. Only 8 of 140 came back, and mailing costs doubled. Sign yours on the website.

SIT IN ON A MEETING

Any owner can. Last Saturday of the month, 9:00 AM Pacific, by Google Meet. The link was mailed to owners and is posted in the community Facebook group.

COME TO THE BLOCK PARTY

Our once-a-year picnic and potluck, every September at the main park. Details on the website.
